Appendix B to Chapter I-1

Criteria and Operating Procedures for Requesting Exclusions of Presidential Appointees from the Annual and Sick Leave Act of 1951, as Amended

The Chairman of the Commission has approved the following criteria and operating procedures for use by heads of departments and agencies in making recommendations to the Chairman for the exclusion of Presidential appointees from the Annual and Sick Leave Act of 1951, as amended:

Criteria

An officer may be recommended for exclusion from the Leave Act only if he is a Presidential appointee. In addition, the following factors should be considered:

- A. *Tenure.* The tenure of officers to be recommended for exclusion must be specifically limited or of uncertain duration.
- B. *Nature of Position.* The officer so recommended should occupy a position at a level and of a type which generally has some or all of the following characteristics:
 - (1) The office held is, generally speaking, a unique position in the agency;
 - (2) The incumbent has continuing responsibility for carrying out the duties of his office even during periods of absence from the office;
 - (3) The incumbent participates in high-level policy formulation and decisions based on public contacts outside official hours and away from his official post of duty; and
 - (4) Has freedom for self-supervision and responsibility.

Form of Submission

Each department and agency is requested to submit its recommendations in duplicate in accordance with the following outline:

1. *Officer's name.* Show the officer's full name exactly as it appears on the payroll.
2. *Title.* Show the officer's official payroll title and include organizational or functional title if different.
3. *Salary and Authority.* Show officer's current base salary and cite the authority upon which the appointment and salary are based. (It must be clearly shown that the officer is a Presidential appointee).
4. *Tenure.* Show duration of appointment if specifically limited; if not specifically limited, explain why it is of uncertain duration.
5. *Duties.* Describe in complete detail all aspects of the officer's duties and responsibilities which, under the criteria furnished above, appear to warrant his exclusion from the Annual and Sick Leave Act of 1951, as amended.

Report of Changes Required

Department and agency heads shall report any changes required in the list of exclusions published in appendix A of this chapter.
